Dear Dr. Huang,

I am pleased to confirm that the Executive Board of ARTDO International has chosen the Civil Service Protection and Training Commission (CSPTC) to be the recipient of the HRD Excellence Award of ARTDO International for 2016.

The Executive Board made this unanimous decision during its annual meeting held on 27 October 2015 at Fairmont Heliopolis Hotel in Cairo, Egypt.

The Board was greatly impressed with the comprehensive development training system developed and implemented by CSPTC to raise the caliber and efficiency of government functionaries at all levels—local, regional and national.

The Board noted with great satisfaction the leading role played by CSPTC in the creation of an efficient and robust bureaucracy which is one of the key factors in the spectacular economic growth of the Republic of China.

The Award will be formally presented to CSPTC during the Opening Ceremonies of the 43rd ARTDO International Conference which will be held on 16-19 November 2016 at Crowne Plaza Hotel, Ortigas Center, Pasig City, Philippines.

With our warmest congratulations.

Yours sincerely,

BERNARDO F. OPLE
Secretary General
